BEST PRACTICE

ECO GREEN CLUB

BEST PRACTICE

TITLE OF THE PRACTICE: ECO GREEN CLUB

1. OBJECTIVES OF THE PRACTICE :-

- To protect and preserve the environment.
- To maintain green campus.
- To design and implement practices, processes, and material selection.
- To conserve water and energy.
- To minimize paper use in the campus and promote paperless campus.
- To develop the ability to think and organize this thinking to create something useful.
- The **eco-green club** hosts numerous **multiple activity** linked to raising awareness among students, staff and community about environment.

2. THE CONTEXT:

- Innovation and creativity are vital parameters for meeting the challenges of globalization. Waste material can be converted into fantastic useful material. In order to reduce waste, recycling efforts are improved, and organic recycling services are provided by the institute. Additionally, students and staff are given proper education on proper waste management practices through **workshops and seminars**.

3. THE PRACTICE CAMPUS

MANAGEMENT: -

- The campus of Sitabai Nurgundkar College of nursing for women has many open gardening areas with beautiful landscaping which gives positive green environment, it also adds up joy of teaching land learning in this eco-friendly environment.
- Restricted vehicle entry in campus has improved the air quality and reduced sound disturbances.

ENERGY MANAGEMENT:-

- Use of ISI standard electrical material.
- Replacing of 200 conventional lightings with LED fittings.

WATER MANAGEMENT;-

- Effluent and sewage plant having capacity of 37 KLD.
- Campus has its own centralized water harvesting system.
- Water treatment plant for drinking water.

SOLID WASTE MANAGEMENT:-

- Installation done of organic waste compost pit from kitchen and garden waste, resulting in manure gardening.

E-WASTE MANAGEMENT:-

- Placing e- waste collecting containers in campus.
- Disposal to authorized E-waste vendor.

GREEN COVER MANAGEMENT:-

- NSS unit of the college arranges tree plantation programmes every year. Near about 200-300 plants are being planted on occasion like vanmahotsav, world environment day, and Independence Day etc.

PAPER WASTE MANAGEMENT

- College has conducted the activity for students of Basic B.Sc. Nursing and post Basic B.Sc. nursing to create awareness among students to utilize the waste product in the best possible manner and create Best out of waste.

4. EVIDENCE OF SUCCESS:

- Massive reduction in conventional power consumption.
- Appreciation from guests, parents and students for maintaining such a lush green eco-friendly campus.
- Significant reduction in rainwater flow which contributed to substantial recharge of groundwater.

- We have a water treatment plant for drinking water. This purified water is distributed in the college of nursing hostel and hostel kitchen.
- Restricted entry of vehicles inside the campus.
- Trees are planted on various occasions and programs like vanmahotsav, world environment day, Independence Day, etc.
- We practice gifting saplings to felicitate our guests ,staff and students.

5 PROBLEMS ENCOUNTERED AND RESOURCES REQUIRED:

- The actions dedicated for sustaining a green campus call for investment of resources and integration of efforts.
- Paper waste management Process and procedure was time consuming.
- Installing solar panels, water harvesting wells, water conservation sensors and sewage water treatment plants needed expert advice and investment of resources.

BEST PRACTICES

Title of the Practice – 1

‘IMPLEMENTATION OF DAILY CONGREGATION (ASSEMBLY) IN THE CAMPUS.

Objectives of the Practice

- The objective behind the daily congregation (assembly) with all students and faculty in the Institute is to inculcate a sense of we feeling.
- To Help students to instill confidence, discipline and moral value.
- To give opportunities to students to face the audience.
- The daily congregation (assembly) is to make students aware about current affairs in the world, also develop a good manner.
- To provide a platform for students to showcase their talent and abilities directed towards their future.
- To develop leadership and team spirit.
- To award achievers to encourage them to perform better.
- To provide a medium of cultural transmission and help to foster a healthy college culture.

The Context

There is a system of uniform code for all nursing students in terms of uniform, holidays, facilities and activities to develop a sense of we feeling amongst all the cadre of the Institute. The resolution to implement the uniform code was passed in management meeting, staff meeting of the institute.

The complete uniform is as follows

- Assembly committee carry out their function through following procedure;-
- Assembly committee carry out four major tasks that are
 - National anthem in morning
 - Ashram geet
 - News reading
 - Importance of the day in history

- Motivational thought of the day
- Unknown facts
- Birthday wish for faculty and students.
 - Every morning assembly is to be conducted.
 - Some important information is to be given by principal mam or any others teachers.
 - If anyone having birthday that also mention during assembly and wishes to be given
 - Felicitation of the student who had done anything special such as rank holders, winners of some competition is also done
- To activate the brain's metabolism throughout the day ahead .it helps students to get enthusiastic about learning beyond their textbooks.
- It provide forum for showing information about college activities and currents events, it helps students to stay update about latest happening.
- The college assembly helps to identify students, talent and abilities, assemblies provide a platform for students to showcase their skill and direct them towards their future goals.

Evidence of success

The evidence of success is the unity that is seen in the Institute hosting all the programs of Nursing Education. Daily congregation focuses on by Students for student's phenomena because of this initiative students gain Excellency in public speaking, communication good improvement in general knowledge. so many students are participated in various competition they achieved various awards and certificate, overall the daily congregation helps to develop a sense of unity and learn to respect and accept all the other cadres.

Problems encountered and resources required

No problems are encountered as the financial resources not required for the implementation of this practice. Moring assembly is implemented successfully in the institute.
