

About IQAC:

The IQAC serves as a driving force in sustaining and enhancing the quality of education we offer. IQAC Coordinator, the cell ensures a continuous process of assessment, reassessment, and improvement in various aspects of the academic environment.

Our Focus Areas:

- Continuous monitoring and evaluation of academic programs.
- Implementation of best practices in teaching and learning.
- Regular feedback mechanisms for stakeholders.
- Facilitating accreditation processes such as NAAC.

Initiatives Taken by IQAC:

Academic Audit:

Conduct regular academic audits to assess the effectiveness of teaching and learning processes.

Faculty Development Programs:

Organize workshops and training sessions to enhance the skills and knowledge of faculty members.

Student Feedback Mechanism:

Implement a robust system for collecting and analyzing feedback from students for course and faculty evaluation.

Research Promotion:

Encourage and support faculty and students in undertaking research projects and publishing research papers.

Accreditation Support:

Provide support for accreditation processes, such as NAAC, by ensuring compliance with quality standards.

Quality Assurance in Administrative Processes:

Extend the quality assurance framework to administrative processes to ensure efficiency and effectiveness.

Your Feedback Matters:

As part of our commitment to transparency and improvement, we encourage all stakeholders, including faculty, to actively participate in the feedback process. Your insights play a pivotal role in shaping the future of education.
