Suggestions

- We request the addition of a printer for student use.
- The library should be more spacious, and we suggest rearranging the furniture to create more space.
- The library should include a dedicated section for storybooks.
- Availability of books in the library is sometimes an issue. We suggest increasing the number of books, especially newer editions, and ensuring a timely procurement process
- Please ensure a steady supply of water in the washroom facilities.
- Energy and enthusiasm during lectures are important. Teachers should maintain a dynamic teaching style to keep students interested.
- Additional lectures or tutorial sessions for challenging subjects like MSN would be beneficial.
- Students have expressed a need for an additional pair of uniforms.
- focus group discussions to gather more detailed feedback and address specific concerns.

SUGGESTIONS

- Everything is good. The curriculum activities were excellent. In fact, these types of activities can help us improve our other skills and knowledge, as well as contribute to our personal development.
- Developed infrastructure and an increase in salary scale are needed.
- Equal distribution of curriculum tasks and responsibilities is needed.
- More focus on curriculum and teaching skills is needed to improve the quality of teaching.
- Priority should be given to the syllabus, rather than focusing on extracurricular activities and programs.

SUGGESTIONS

- Ensuring the safety of hostel students during their commute is a priority. A transport facility should be provided to ensure their safe and secure travel to and from the hostel.
- There is a need to reduce the number of programs to better manage schedules and resources.
- The quality of food in the hostel needs improvement to meet the expectations and dietary needs of the students.
- The FON Lab requires improvements, including the addition of more equipment to meet the students' needs.
- The management team could enhance its productivity to improve overall efficiency.
